

D.K. GOVT. COLLEGE FOR WOMEN (AUTONOMOUS) NELLORE

NSS REPORT

D.K. Govt. College, Nellore, NSS Unit I was working under Sri Venkateswara University, Tirupati. But this was converted to V.S. University, Nellore in the academic year 2011-2012.

OBJECTIVES OF NSS:

- To understand the community in which they work.
- To understand themselves in relation to their community.
- Identify the needs and problems of the community and involve them in problem solving.
- Develop among themselves a sense of social and civic responsibility.
- Utilize their knowledge in finding practical solutions to individual and community problems.
- Develop competence required for group living and sharing of responsibilities.
- Gain skills in mobilizing community participation.
- Acquire leadership qualities and democratic abilities
- Develop capacity to meet emergencies and natural disasters and
- Practice national integration and social harmony.

AIM:

The programme aims to inculcate awareness of social welfare in students and provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in

villages how to lead a good life despite scarcity of resources. NSS also provides help in natural and man-made disasters by providing food, clothing and first aid to the disaster victims.

REGULAR ACTIVITIES:

The programme officer has to conduct these activities for 240 hours in a year within the Institution. There is a misconception that Sramadhanam, Plantation, Blood Donation and AIDS awareness are the only regular activities. But the NSS programmes officer can also conduct the other regular activities as per the academic background of the volunteer. The regular activities can cover Communication Skills, Career Counselling, Passport taking formalities, Oversees Education information, Placement Information, Legal Awareness, Law and Order, Global Warming, Support to Government Programmes, Health and Hygiene. These programmes should be conducted besides identified activities of the Ministry of Youth Affairs & Sports. If we conduct these Programmes even now students will be attracted towards NSS. One of the intentions of these Programmes is to identify sincere, disciplined and talented volunteers for State and National Level Programmes.
