Ban on Use of Plastic Policy

The plastic waste has emerged as one of the biggest environmental concerns adversely impacting the soil, water, health and well-being of citizens at large. The limited waste disposal systems have become a challenge to dispose of plastic waste materials, especially the single use plastic.

To reduce the usage of plastic, the University Grants Commission has issued special guidelines to all the higher education institutions to impose ban on single-use plastics on the campus.

Accordingly, it is hereby circulated for information of all concerned that the Principal of D. K. Govt. College for Women (A), Nellore has decided to take following steps to put ban on single use plastic materials on the campus.

1. To ban use of single-use plastics in canteen, campus premises, hostels etc.
2. To strive to make the campus plastic – free by systematically banning use of plastics and replacing the same with suitable environmental friendly substitutes.
3. To carry out awareness drives and sensitization workshops on the harmful impacts of single use plastics by the college
4. To mandate all students/staff members to avoid bringing non-bio-degradable plastic items on the campus
5. To avoid the use of plastic water bottles, bags and encourage use of alternative solutions like cloth bags, paper bags etc.
6. To keep signboards at various places to give wide publicity to ban on use of plastic polythene on the campus.
